

JobTIPS

What is a friend?

1. Someone who you like, and who shows that they like you as well.
2. Someone who shows that they want to hang out with you just as much as you want to hang out with them.
3. Friends enjoy each other's company.
4. Friends share information by talking to each other.
5. Friends socialize with each other.
6. Friends are nice to each other and treat each other with respect.
