Key Points - What to Wear

There are some rules that apply for almost all jobs. Ask yourself these questions before you leave the house:

1. Is my outfit appropriate for this work setting?
2. Does my clothing fit appropriately (not too tight, not too loose)?
3. Do my clothes match?
4. Are my clothes clean?
5. Do my clothes smell good/clean?
6. Are my clothes wrinkle-free?
7. Are my clothes stain-free?

If the answer is “yes” to all of these questions, you’re ready to go to work!
