

Managing Facebook Requests with Co-Workers

- 1) I can send one friend request to: _____
Check when I send the request. ☐
- 2) Did the person respond? YES or NO
"NO" = Do not send another request or message.
- 3) "Yes" = I can "like" one comment OR one photo on the person's page.
Check when I "like" a comment or photo. ☐

"Yes" = I can send one message OR post one comment.
Check when I send a message or post one comment. ☐
- 4) I cannot "like" anymore comments or photos, send anymore messages, or post anymore comments. It is the other person's turn.
- 5) If the person "likes" one of my comments or photos, sends me a message, or posts on my page, then it is my turn again.
